HOW TO ENJOY KOREAN BBQ

고기쌈 "GOGI SSAM", which means "Meat Wrap", is a healthy way of eating Korean BBQ. By adding a variety of vegetables, each slice of BBQ not only becomes more rich & dynamic, but helps in improving digestion & balancing your cholesterol levels!

① CHOOSE your mix of vegetables for Gogi Ssam!

"Pa Muchim, chili & onion slices, mushrooms, Sangchu"

② BARBEQUE the meat according to your taste preference!

"How's Medium for beef & Well-done for pork & chicken?"

③ WRAP all the items in lettuce & enjoy by a mouthful!

"Don't forget to add the Ssamjang sauce!"
